¹ Assessed at year end based on data submitted during calendar year 2012

² Assessed at site audits (average 1-2 per year)

³ Based on all meetings scheduled during calendar year 2012

⁴ Based on semi-annual survey response

⁵ Minutes from most recent meeting will need to be sent with the semi-annual survey and the VTE Committee is expected to regularly maintain minutes for all meetings. For new sites that join HMS after July 2011, full credit (20 points) will be achieved by having an active VTE Committee by year end.
