¹ Assessed at year end based on data submitted during calendar year 2013

² Assessed at site audits (average 1-2 per year)

³ Based on all meetings scheduled during calendar year 2013

⁴ Based on semi-annual survey response

⁵ Minutes from most recent meeting will need to be sent with the semi-annual survey and the VTE Committee is expected to regularly maintain minutes for all meetings. For new sites that join HMS after September 2012, full credit (10 points) will be achieved by having a VTE Committee by January 2013. (First meeting must take place no later than January 2013.)

⁶ Assessed at year end based on final quarter of data submitted during calendar year 2013 (discharges from Q3 2013). Sites joining after September 2012, will get full credit for achieving at least 50% and ½ credit for achieving 25-49%.
